have you talked with your prescribing doctor about it yet? doctor-patient confidentiality is definitely in place,  
but i think that your md needs to know about the mood thing

doctors are supposed to tell patients when they prescribe antibiotics that they need to use a back up method of  
birth control if they are on the pill, but some dr.'s don't always remember to

why argentina and chile? argentina offers an arid climate similar to the western united states and is very well  
suited to produce 105 day and later maturity hybrids
